REV. A. H. BRAND HEADS sign calling attention to the different MINISTERIAL ALLIANCE

Protestant Pastors Offer Financial Aid to Child Protective Society

Officers elected by the Protestant Ministerial Alliance Monday morning at Travis Park Methodist Church were Rev. A. H. Brand, pastor of Madison Square Presbyterian Church, president; Rev. Patrick Henry, pastor of South Side Christian Church. vice president; Rev. S. G. Huey, pastor of United Presbyterian Church, secretary; Rev. M. O. Lambly, pastor of First Congregational Church, treasurer. The president is to ap-point a steering committee to serve

during the next 12 months.

The special committee appointed to co-operation and help recommended that each church of the alliance take up a collection for this institution. a time convenient to the individual organization, and that the officers of the humane society take the matter up directly with the respective

churches through their pastors.

The alliance went on record as being ready to co-operate in the matof maintaining religious services on Sunday afternoons at the juvenile home, on some plan to be worked out later.

The alliance adopted a resolution of

sympathy for Rev D. B. Sweat, church reporter, who goes to the hospita Tuesday for an eye operation. The steering committee was in-structed to make preparation for a service on Thanksgiving Day, outline a program and make report to the November meeting of the alliance.

Orphans Ride Circus Elephant THOUSANDS FLOCK BANKRUPTCY RING TO OIL EXPOSITION ALLEGED BY U. S.

San Antonio's Main Delega- 28 Indicted Men Accused of tion Joins Crowds at

Staff Special to The Express. TULSA, Okla., Oct. 6.—Tulsa people rendily admit that Tulsa is the center of the oil world and the hub

center of the oil world and the hub of the oil industry. If you disagree with them they put up no argument, knowing that sooner or later you will admit it yourself. The directory of the oil industry or the biggest part of it at least, is found in the city directory of Tulsa.

While officially the second annual Petroleum Exposition opened Thursday and the first four days attendance broke the records of last year by double, in reality the biggest noise did not begin until Monday. Besides filling the hotels, the exposition authorities have listed 5,000 rooms in private residences to take care of the crowds. Many of those who came for the opening days last week have returned hone will be selected by the Government to be leaders in Nationwide bank-rupter ring, which has fleeced merchants of a million dollers, were indicated by a Federal grand jury Monday on charges of using the mails to defraud.

Frederick R. A. Stiefel, receiver in bankrupter, and two postal inspectors made the investigation. According to Mr. Stiefel, members of the ring obtained control of concerns about to discontinue or in process of liquidation. He said they obtained merchandise which would disappear mysteriously shortly after its delivery and the companies would then be thrown into bankruptey with do disappear mysteriously shortly after its delivery and the companies would the better the control of the control the opening days last week have returned home and the visitors will continue to come and go all through this week till the close of the exposition on Saturday.

on Saturday.

Society mixes with the educational features of the exposition and a princess is here to represent each oil State in the Union. On Wedensday the prettiest and nicest and most queenly of all the princesses will be chosen "Oil Queen of the United States." Luncheons and dances and other soto put a peanut on the elephant's tongue. Children of the orphans' home were taken to the circus by the Conopus Orphans' Home, it was voted Honday at a meeting of the Advertising Club. Mention of the drive will be made in many of the advertisements to appear between now and October 14, when the drive will be launched.

Nat M. Washer spoke in the interest of the home before the Ad Club Monday. He said the present building

remained over Sunday. They came and be opened November 6. went by special train.

went by special train.

San Antonio's main delegateion reached the grounds Monday, although H. B. May of the Mutual Pipeline Company, A. P. Highway No. 81 will be paved from

from the Bexar County line at Sas-pameo to three miles beyond Floresville. The cost is estimated at \$300,000 of which the State will pay \$200,000. Wilson's County share of \$100,000 was voted in a recent bond issue.

FORMER BANKER HELD BY MEXICO FOR U. S. FOR BANK WRECKING

By Associated Press.

BROWNSVILLE, Tex., Oct. 6 .-George W. Mittchell, a former bank-er, indicted at Sioux Falls, S. D., in connection with the wrecking of a bunk at Hinner, S. D., has been ar-rested in Mexico and is in the peni-tentiary at the City of Mexico await-ing extradition to the United States, according to Eugene H. Parker, United States Department of Justice agent

here. Mittchell was apprehended at Tanquian, San Luis Potosi, by Parker with the aid of Mexican authorities, he said upon his return from the City of Mexico. Mittchell had been hiding at Tanquian, which is 90 miles from a railroad for a month, according to

the palaces of European rulers, or before sophisticated grown-ups of this country, has he met with more whole-souled laughter than was given him by the little orphans Monday.

As he mimicked a cricket, a chicken, or a dog, the little tots fairly shricked with laughter. At the Protestant Orphans' Home two dignified watch dogs were thrown almost into aplopexy with indignation and terror over his mimicro of the minicrost of the mi

Among the exhibits that bark back nection with Wesleyan, Dr. Shanklin to the early days of the industry is bit used on the Moses well in the sity. He had occupied Methodist puling, Pa. His brother, Arnold Shank-lin, now a City of Mexico lawyer, formerly was I merican consul general

TWO AUTOS OVERTURN.

pecial Correspondence to The Express.
BRACKETTVILLE, Tex., Oct. 6. -After a month free of automobile accidents, two mishaps occurring on the State Highway west of here mar-red the opening of October. In both instances light cars turned over, one being caused by the driver hitting a concrete culvert at a good speed, and the other when a wheel turned on a smooth rock. In neither case were any of the occupants of the cars injured and sustained only bruises and ı sever**e s**haking up.

MRS NETTIE ROUSE DEAD.

Mrs. Nettie Rouse, 32 died Monday morning at her home, 1120 Paso Hon-do Street. She was a native of Bul-litsville, Ky., but had lived in San An-tonio for the past four years. She is survived by her husband, W. I. Rouse,

ONE JUROR ACCEPTED.

One man, T. B. Green, had been selected for the jury to try L. D. Shelton, indicted for murder, during More than 2,000 additional feet of counter space are called for in improvements being made by S. H. Kress & Co., 315 East Houston Street, at Special in November.
