PASSAIC TRIMS GLENS FALLS

Two Winners Will Meet Tonight For Championship—Manlius Defeat Comes as Surprise.

Glens Falls, April 4.—The "wonder team" from the High school of Passaic, N. J., won its way to the finals by defeating a fighting team from St. Mary's Academy of Glens Falls, in the semi-finals of the sixth annual New York-New England interscholastic open basketball tournament here Friday night. The score was 44 to 24.

In the other game Christian Brothers Academy, of Syracuse, led St. John's Academy of Manlius, all the way, winning 18 to 9.

Passaic and Syracuse will meet in the finals tonight, and St. Mary's will play St. John's for the runner-up trophy.

St. Mary's hung to the winners throughout the first half, which ended 28 to 16 in favor of Passaic but the "wonder team" picked up its stride in the second half and outdistanced its opponents. Adame of Passaic, was high scorer with 17 points.

St. John's trailed the Christian Brothers throughout the game. In the first half Manlius scored only one point, making that on a foul by Mosher.

Jones Tops Local Brigade With 583 in Individual Games, Tucker Being Next With 580—Gurnett's 570 May Win Him Recognition.

(Special To The Times)

Buffalo, April 4.—Lyons and Tucker, of the Watertown aggregation of bowlers competing in the A. B. C. rolled scores that put them in the money in both the individual event and the two-men division. They flattened 1,163 maples in their doubles games, Tucker ending up with 200 and 217. Jones opened up with 201, but did not hit the 200 mark again in the set. High game was 404.

In the individual games Jones topped the Watertown brigade with 583, Tucker being next with 580. Tucker clouted out a 211 in his second game, while Jones banged out 244 to open the proceedings in his set.

The 570 of Gurnett may get him recognition from the coffers of the congress. He slammed out a 244, one of the high counts of the day in his last game. A 148 in his second game ruined a fine set. Van Doren counted 223 in his second game in the individual games, but it was a flash in the Pan. His total was 552, out of the money.

FIFTEEN HITS FAIL TO WIN DODGERS GAME WITH YANKS

New York, April 4.—Fifteen hits failed to win the ninth game of the series with the Yankees for the Brooklyn Dodgers yesterday at Atlanta, Ga. That total came within an ace of being twice as many as the Huggins clan could collect, yet because the New York batters compiled their seven safe drives within the two closing innings, they were able to obtain the edge in the test, 7 to 6.

For six innings Babe Ruth and company failed to score. Petty, a new comer from Indianapolis, had the hard-hitting former American league champions fruitlessly pursuing his curves around the batter's box for five of those six innings. In the sixth Schwartz took up the mound assignment and went along nicely for one inning but Manager Robinson was obliged to hurry to his rescue in the seventh when the Yankee bats started to rain base hits all over the park.

A welcome rain gave the Giant players a rest in the series with the Memphis team of the Southern league, but Manager McGraw partly filled the holiday gap with an announcement that he plans to carry ten pitchers into the National league race for his fifth pennant. In addition to Bentley, Nehf, McQuillan, Ryan, Barnes, Scott, Dean and Maun he expects to retain two out of a string of several recruits.

BLAIR TO MEET PACILIO

The contest will be over a 12-round route to decision on Wednesday, April 15. The boys agreed to make 135 pounds at 3 p. m.

SENIORS ANNEX DECIDING GAME

VANQUISH JUNIOR BASKETEERS BY 15 TO 11 SCORE

LEAD AT HALF TIME, 10 TO 6

O'Reilly is Star of Game With Nine of His Team's Eleven Points—Pritchard Scores Four Field Goals For Victors.

The Senior class basketball team won the deciding game from the Juniors in a three-game series at the High school gym on Friday afternoon by the score of 15-11. The teams had each won a game and the proceeds of Friday's game went to the winner.

Both teams were matched evenly although the Juniors were leading at the end of the first quarter. O'Reilly made all of the points for the Juniors during the first half and he also played a good all around game. Pritchard started the scoring for the Seniors when he dropped in a field basket near the opening of the game. He was followed by Flannigan and Coseo who each scored a field goal. During the second quarter the Seniors forged ahead and when the quarter ended they were leading by four points, 10-6.

At the opening of the last half both teams came back strong and it looked as though the game would end in a tie when the Juniors started creep up on the Seniors. The last half of the game also was featured by much tripping and boxing and which made the game a little livlier. During the third quarter both teams were held to only one field goal each. Coseo scored the last two points for the Seniors and O'Reilly dropped in the only foul for the Juniors.

Pritchard, who played a fast game for the Seniors, was also the chief point getter with four field baskets. He was followed by Coseo who made two field baskets. Flannigan was third with one field basket and one foul.

O'Reilly was the high point getter and best all-around player for the Juniors making nine of his teams total of eleven points. Delbert Guess made the other field basket.

POTSDAM GIRLS CLOSE SEASON

Potsdam, April 4.—The girls basketball team of Potsdam Normal successfully completed its season by winning over Plattsburg Normal on the latter's court by a score of 20-13.

Potsdam Normal has had an unusually strong team this year. The old members of the squad have improved greatly and the freshman class has added its quota to the strength of the team. Much of the credit is due to the hard and consistent work of the girls and of their coach, Mr. Maxcy.

The manager, Miss McDowell, succeeded in arranging games with teams not played with before, and also scheduled more games this season than in the past three years.

Next year Mr. Maxcy says he expects to have just as strong a team, as he only loses two of his players, McDowell and Witherhead, who graduate this June.

GIRL CHAMPIONS BEATEN

Hempstead, April 4.—The girls' High school basketball team of Guthrie, Okla., champions in 1923 and 1924 last night was eliminated in the first round of the national title tournament here for the Westfield cup by the Struthers, Ohio. The score was 24 to 18.

Guthrie rushed to an early lead of 8-5 in the first quarter, but could not maintain the pace in the second, which closed with the Ohio girls ahead, 11 to 10. Struthers increased the margin after the rest period and remained in front throughout the closing quarter.

The victory entitles Struthers to play Monday, the winner of tonight's match between Hempstead and Burlington, Vt.

Leading golf professionals, arriving in New York yesterday from campaigns in the sunny lands, brought the word that Walter Hagen, twice British open champion in the last three years, is not expected to defend his title this summer.

Gene Sarazen also is reported to be satisfied with the tournament list on this side of the ocean.

The United States will be well represented in the British event, however, with Leo Diegel, MacDonald Smith and Jim Barnes seeking honors. Smith, according to his fellow professionals, has recovered his form in the winter competitions, and they stressed his recent excellent putting exhibition on the sand greens at Pinehurst.

Moreover, for two days of competition the Pacific coast star was straight down the fairway at all

Before returning to their native land, the South Americans are expected to appear in several leading American cities. Next year Canada and the United States will send teams to the southern continent for a tournament.

THREE MILE BAY TRIUMPHS, 19-17

The Three Mile Bay quintet defeated the Cape Vincent five at the Knights of Columbus gymnasium on Friday night in the fifth and deciding game of a series by the score of 19 to 17. The game was exciting throughout and at no time did either team have more than a four point lead.

At the end of the opening half the teams were deadlocked at ten all. During the last half of the game the Three Mile Bay five had a two point lead. With three minutes to play they refused to take a chance and try for baskets.

There was a large crowd in attendance at the championship tilt. Riley was the high scorer for the victors with ten points, the result of five field baskets. Gordon and Bennett were tied for high scoring honors for Cape Vincent with five points each.

New York, April 4.—Articles of agreement for a featherweight title bout between Louis (Kid) Kaplan of Meriden, Conn., recognized as champion by the New York boxing commission, and Edouard Mascart, European titleholder, will be signed this noon, Promoter Tex Rickard announced Friday night.

Rickard proposes to stage the match May 5 in Madison Square Garden. Fifteen rounds to a decision will be required by the contracts, Rickard said.

Kaplan obtained recognition as champion in this state by his victory in an elimination title tournament.

MALCEWICZ TRIUMPHS

After over an hour of the fastest and most furious wrestling seen here in some time, Joe Malcewicz, Utica's premier mat artist, won over Angelo Tarramaschi, Italian heavyweight at Maennerchor Hall Friday night. The Italian was badly hurt when he fell victim to Joe's pet hold, the back flying mare, and was unable to continue.

Examination showed that Tarramaschi had sustained a slight concussion of the brain. He laid on the mat after the fall, powerless to move.

AVON SUNDAY FEATURE IS MOST LAVISH FILM OF YEAR

In the Palace of the King is the special picture for the Robbins-Avon theatre on Sunday. It is a tale of medieval Spain in the sixteenth century taken from the novel by F. Marion Crawford. It is rich in romance and amid some of the most gorgeous settings ever seen in motion pictures. History's most noted characters are seen in this picture and live over again. It is a story of the love of Dolores, fairest flower of Spain to Don John, the great warrior and brother of King Phillip, who has planned other things for him by his marriage to a neighboring Princess. One sees the court of the king in all its glory and intrigue; kings who sent armies to ruin for fame; soldiers who braved death for a kiss; adventuresses who plotted the overthrow of empires; vagabonds, lovers, villains and heroes. The cast is wonderful, such artists as Blanche Sweet, Edmund Lowe, Pauline Starke, Hobary Bosworth, Alleen Priagle, Sam De Grasse and countless others appearing. The short subjects are interesting and contain a comedy Vacation Time, a Jack Dempsey subject, Town Hall To Night and the news and fables.

Double Feature Bill at Antique.

An exceptionally fine double feature western program will be presented on Sunday and Monday at the Antique theatre. Leo Maloney's latest starring vehicle, Not Built For Running, heads the program, while William Farnum, another popular western star will be seen in Rough and Ready. These features although entirely different in theme and construction, have the essential elements of rapid and heroic action, interspersed with daring feats and romance. His First Degree is the title of an uproariously funny comedy, and Jack Perrin and Marilyn Mills will be seen in the eleventh episode of Riders of the Plains.

THEATRES

BIG TIME KEITH BILL AT AVON

Headed by Jules Black and company in a jolly and romping act called Vacation Days the vaudeville show gets away with a wallop. Jules Black is an eccentric comedian of ability and his act is a peppy and fast offering of comedy, songs, dancing and a specialty on the accordion. It appeals to the grown ups as well as the youngsters and is a mighty pleasing offering. Pepito, the world renowned Spanish clown offers a wealth of entertainment amid beautiful settings and gorgeous costumes. He is the master mimic of them all, and his specialties are wonderful and amazing. Miss Rosita adds much to the offering with a saxophone solo and a cornet duet with another artist that is most pleasing. Pepito is certainly an entertainer; his number of a crying baby is realistic and a ventriloquist number is masterful. Pepito is a versatile artist and his offering is a wonder of color and artistry.

Arthur Whitelaw is a jolly and jovial humorist with a never ending list of really funny stories and ends his offering by singing about a dozen of verses to a timely song called Come On Over Here; Its a Wonderful Place. He scored big with the audiences and has to beg off from singing. Ray Kossar is a pleasing miss with a winning smile and a nice offering of songs that are heard to good advantage. Mack and Stanton are two very clever boys with some good comedy. Mr. Mack is a clever comedian and has a mighty pleasing voice. It is a nifty offering called Home Sweet Home. Fridkin, jr. and Rhoda are two youthful and clever dancers. Their offering is gracefully finished and they are two talented dancers of ability. The comedy is Sailor Paps and is mirthful. The news and topics put the finishing touches on this big time Keith bill that is the best ever for it contains unlimited variety of entertainment.

MANY VAUDEVILLE SPECIALTIES FEATURE HAPPY MOMENTS SHOW

Fresh costumes and scenery, pretty girls and sparkling principals, are the outstanding features of Happy Moments the burlesque show which appears at the Robbins-Avon theatre Monday, Tuesday and Wednesday. Perhaps it would be only correct to say that this show is as finely balanced in its vaudeville numbers as it is with its burlesque offerings. All of the principals are given an opportunity to introduce specialties that won the approval of large audiences at this popular house. Lew White as a Hebrew comic, also can play a one stringed violin, and his parodies made a hit. Pauline Glenmar, soubrette, has an interesting dance number. Herman Fay as White's assistant made good through his individual endeavors. Pliny Rutledge and Floyd Hallicy are important principals. Florence Allison, the prima donna, is well received with her ballads, and a perfect storm of approval meets Cleora and Bono, the dancing marvels. McGrath and Hassan are other dancers of skill with something new to show in the line of stepping. One of the outstanding features is the dainty cleverness of Irene Leary in several diversions. Seats are now selling for all performances and it is well to procure seats in advance and avoid disappointments.

THE ETERNAL THREE IS FEATURE AT THE PALACE

The Eternal Three, a Goldwyn picture, written and directed by Marshall Neilan, heads the exceptionally fine program at the Palace theatre on Sunday. There is a swiftness of morement and a convincing dramatic climax, and it is enacted by a super cast headed by Hobart Bosworth, Claire Windsor, Raymond Griffith and Bessie Love. Strength is the keynote of Border Intrigue, the second feature. One of the most powerful western stories from the pen of James Ormont is cleverly and interestingly woven into this splendid feature. Other subjects of interest to be shown is a new comedy entitled The Cowboy Sheik, starring the famous comedian Will Rogers, and the second episode of The Great Circus Mystery, starring the world's strongest human, Bonomo.

AIR MAIL FILM WILL DELIVER THRILLS AT OLYMPIC

Coming to Robbins-Olympic theatre opening Sunday is The Air Mail which will make deliveries of thrilling entertainment. The story and picture centers around the U. S. government air mail service and the thrilling moments that the mail pilots have to go through, intermingled in the picture is a delightful romance. The story hinges around the air mail service and the efforts of a band of criminals to rob the mail planes, with the aid of a former member of the service. How they are foiled in their repeated attempts tells a thrilling story and will prove to be the biggest and swiftest picture ever made. It was written by Byron Morgan, who wrote the successful "Wally" Reid auto stories. The cast is a strong one and has such stars in it as Warner Baxter, Billie Dove, Mary Brian and Douglas Fairbanks, jr.

The comedy for the first half is humorous and pleasing and the Olympic pictorial news and topics will prove timely.

THE BANDOLERO AT STRAND

The Bandolero (The Bandit), which comes to the Strand Sunday for four days, is an excellent example of both of Mr. Terriss's theories. Manual Granado, a young Argentine who plays the juvenile lead, is a discovery of Mr. Terriss, and makes what mildly may be termed a most auspicious debut in the silent drama; and the fact that exterior scenes were taken in Cuba and Spain give this presentation of a dramatic story of vengeance and love an authenticity of atmosphere which, it seems to this reviewer, cannot be praised too highly.

In fact, if the story itself were not so full of suspense, the sheer beauty of scenic effects—among them the bullfight on a great Spanish holiday with, thousands of merrymakers as volunteer extras, photographed against the romantic background of the snow clad Sierra Nevadas—would linger long in the mind of the observer.

LAST SHOWING OF LOCKED DOORS AT ANTIQUE TODAY

The final showings of the Paramount picture Locked Doors which opened a run here at the Robbins-Olympic Thursday will take place tonight. Betty Compson is featured in the cast of players. The story is a delightful one and it is the drama of a wife whose innocent flirtation flowered into real romance and to amazing and surprising climaxes. The cast of players supporting Miss Compson are screen players of renown and include the popular old man of the screen Theodore Roberts, Theodore von Eltz, Robert Edeson and Kathlyn Williams.

LAST SHOWING OF BREAD AT THE STRAND TODAY

Bread, the Metro-Goldwyn picture is a striking achievement among recent photoplays. It is a gripping dramatization of Charles D. Norris' novel which caused such intimate discussion a season ago. It tells in graphic fashion the inside story of a troubled marriage. The cast includes Mae Busch, Robert Fraser, Pat O'Malley, Wanda Hawley, Hobart Bosworth and others.
