

## ROSEBURG SEEKING MAN

## SWINDLER OF PAINTERS BELIEVED KIDNAPER.

W. O. Hall, Alias Smith, Said to Have Left City With Family and Helen Neff, 16.

The man calling himself A. A. Smith, whom Portland police are seeking on a charge of swindling 30 unemployed painters with a fake job offer, answers the description of a man wanted at Roseburg for kidnapping. It was learned here yesterday.

Smith is accused of collecting \$100 from the painters as advance railroad

fare to Burns, Or., and to have sent them to The Dalles on a chartered bus Wednesday. Yesterday the inspectors' division received the following communication from V. T. Jackson, sheriff at Roseburg: "We hold warrants for W. O. Hall, alias Smith, who left Roseburg with his wife and two children February 15. He also had a 16-year-old girl with him named Helen Neff. We want this man badly. He is charged with kidnapping. He was seen 20 miles south of Roseburg, but he may have doubled back and gone to Portland." Sheriff Jackson described Hall as 35 years old, 5 feet 10 inches tall, weighing 100 pounds and speaking a decided southern accent. The description, police said, fits Smith perfectly. At the weekly meeting of police officers with Inspector Moore yesterday, Acting Lieutenant Johnson, who Wednesday questioned Smith and let him go while the alleged swindle was in progress, was reprimanded for not learning the facts before releasing Smith, who had been arrested.

## Oregon State Wins Debate.

OREGON STATE COLLEGE, Corvallis, Feb. 20.—(Special.)—Oregon State college varsity debate squad, upholding the affirmative of the question, "that world peace demands the demobilization of all armed forces except those necessary for police protection," defeated a team from the University of Idaho last night. Joseph Holladay, debate coach at the Corvallis high school, was sole judge.

## Perrin Found Guilty.

Edgar S. Perrin was found guilty by a jury in Circuit Judge Tucker's court yesterday on a charge of obtaining money by false pretenses. He is alleged to have passed a worthless

check at a Skaggs-Safeway store November 12, 1929. Perrin has a long police record, including a number of similar offenses, according to the district attorney's office. Deputy District Attorney Crandall prosecuted.

Perrin will be sentenced Monday morning.
